

## Late Night Comedy Writing Samples

The Court Jester Opening Monologue: Good evening, how's everybody doing? Thank you, thank you. It's now been four years since the New York Jets hired Robert Saleh as their head coach. Saleh has it rough when he goes out in public, The Smithsonian follows him day and night convinced he is indeed the reincarnation of Xerxes from 300. The Smithsonian's like, "C'mon Rob, we got a wax figure already made next to Thanos and old offensive Tweets" I know some love birds are chirping in the nest tonight, Tom Holland may be tying the knot with Zendaya. In addition, he plans to buy out Carnival and rename it Tom Cruises. That's a pretty exciting business venture, but not as exciting and profitable as being an ambitious salesman in a liberal neighborhood, knocking on the door, and saying: "Hi, can I interest you in some socialized medicine?" Whole Foods and Trader Joe's are in a feud. While trading blows, Trader Joe's said to Whole Foods, "Organic, ha, maybe so, but who's the one that got an A- on their Non-GMO Project" Dallas Cowboys Cheerleaders: Making The Team will not return and has no plans of returning to TV screens. The producers are so desperate to appease their angry fans, that a spin-off of the show is in the works on HBO titled: Hard Knocks with Estrogen A young aspiring Television Host/Presenter saw Andy Cohen within an arm's length on the street today. He was steaming mad and bumming that he said hi but didn't have his business card to give him. Later that night while venting to his dad about it, his dad replied, "It's okay son it's not the end of the world." The angered son replied, "Of course it is dad! How the heck is he supposed to throw my business card right in the trash if I can't even give it to him!?" Twilight Saga fans in the house? Yes, yes, word on the street says cast members Kristen Stewart and Taylor Lautner were out and about in New York. They're likely the only two people who visit or reside in the city besides Jim Carey and William Dafoe that can transmit a Zoonotic disease by biting you. It's not the first time an actor or two have been at risk of contracting a zoonotic disease, remember everyone who has ever made out with Doja Cat? The Clownfish and Sea Anemone were voted yet again the most symbiotic relationship in the animal kingdom. The runner-up was Conservative Talk Radio and subsequent acts of Domestic Extremism. It's been another year since the passing of former mobster John Gotti. Historians still can't decipher whether Gotti's last words to his right-hand man were "I'm ambidextrous" or a text reading "left..a message" Lehman Brothers is still reeling after being recognized as the largest bankrupt company of all time. It's so bad that they can't even literally throw in their two cents for a cause they believe in. Fox News continues to bash Al Sharpton. They clearly have never met him in a dark alley in a street corner. They'd be like "Hey Sharpton"! And Sharpton would reply (Imitate Sharpton voice), "Hello! Salutations young one. Wonderful day we're having eh? How bout I buy the first round after you beat me up behind the block what do ya say?"
