

Late Night Comedy Writing Samples

The Court Jester Opening Monologue: Good evening and welcome to The Court Jester. Very very exciting. March Madness begins soon. Got to love that one time of the year when your co-worker Frank, always mistakes Duke making the Sweet 16 for their daughter's birthday. We've got Justin Timberlake, JT in the house tonight! It was just discovered that Timberlake is the easiest to treat in Therapy. Yeah, every time he shows up he's just like (high-pitched Timberlake voice) "Don't want to think about.. don't want to talk about" Meanwhile Vanessa Carlson is willing to walk a thousand miles to get to her therapist. Singer Lana Del Ray got kicked out of the Waffle House for loitering during her shift. The Jonas Brothers are like..that makes four of us. Buffalo Bills safety Damar Hamlin has already been announced as the unanimous winner of The Bachelor Bachelorette, and Love Island—no girl is breaking his heart. Yo mama jokes keep getting better and better. We begin with, Yo mama's so dumb she thought the "Out of Order" sign on the Pepsi Machine meant "Do Not Disturb". Yo mama's so dumb that when the wet floor sign fell over on the ground she's like, "Don't worry it still works" Yo mama's so dumb she thought the main character in Ocean's Twelve's name was Frank. Actress Meghan Markle and Prince Harry just got back from their annual trip to Vancouver, British Columbia. Or, in other words, the most likely destination to see Mitch McConnell sunbathing. All the beach-goers thought a new species of gray whale tragically washed ashore. Former President George W. Bush is watching what's taking place in Afghanistan with the quote "great sadness". PETA CEO Ingrid Newkirk responded, "now you know how to feel when you don't see the "certified humane" label in the dairy aisle. Nutritionist Dr. Mark Hyman offended the majority of heavy-set people in the U.S. with his book "You love fattening foods but the fattening foods don't love you back" Hyman has offered his sincere apologies — he's agreed to send everyone he offended a chocolate cake inscribed "I'm sorry". Next, he's going to smuggle \$40 bucks in an envelope instead of a \$20 for a presumed needy family during the holidays. British actor Tom Hardy got a stomach ache while dining out last night. His new stage name is (British Accent) Tums Assorted Berry Flavored Acid Reflux Instant Relief Hardy". Jaime Foxx survived yet another health scare. According to his agent, he's currently being considered for two roles, Catman or I Shouldn't Be Alive. With the holiday season rapidly approaching, President Joe Biden is loading up his stocking with award nominations. His latest nomination is "Grandpa who most likely would get run over by a reindeer."
